9.	Brief description of Project	This project focuses on design of individual blocks such as PLL and SRAM, and to develop an SoC for sensor signal conditioning.

Walk-in Interview: 26 August 2019; Reporting Time – 04:00 P.M.

How to apply: Interested and eligible candidates may appear for interview on 26 August 2019. Applicants are required to bring the application along with all relevant self-attested supporting documents.

Address: Department of Electrical Engineering, IIT Jodhpur, Nagaur Road, Karwar, Jodhpur 342037, Rajasthan.

General Instructions to Applicant(s)

1.	The post(s) is purely temporary and contractual, and extension is based on satisfactory performance, but co-terminus with the duration of the project.
2.	Certificate in support of experience should be in proper format i.e. it should be on the organizations letter head, bear the date of issue, specific period of work, name and designation of the issuing authority along with his signature.
3.	The Institute reserves the right to: (a) conduct Written/Trade tests for such posts wherever if the circumstances so warrant (b) not filling any of the advertised positions (c) fill consequential vacancies arising at the time of interview from available candidates. The number of positions is thus open to change.
4.	The Institute shall verify the antecedents or documents submitted by a candidate at the time of appointment or during the tenure of the service. In case, it is detected that the documents submitted by the candidates are fake or the candidate has a clandestine antecedents/background and has suppressed the said information, then his/her services shall be terminated.
5.	No TA/DA shall be paid to the candidates for attending the Written Test/Interview.
6.	No correspondence will be entertained from candidates regarding interview and reasons for not being called for interview.
7.	Canvassing in any form will be a disqualification.
8.	No interim correspondence will be entertained.
